

Benchmark Package

The “Marq” of Excellence

Scalability that sets a new standard for package policies

Benchmark is Chubb’s NEW, industry-leading package product with a broad appetite and superior protection compared to the standard industry package policy*, setting the new benchmark for package policies.

Benchmark offers unparalleled scale and is designed to meet the needs of a wide range of commercial clients. Its base offering is perfect for smaller or less complex package risks, but simultaneously can scale up through higher limits and coverage endorsements to create a fully customized package.
