

Premises Pollution Liability (PPL) Coverage

Chubb Environmental

CHUBB®

Today, businesses of all sizes face new and often unrecognized environmental risks from their daily actions. In addition, a far greater range of business operations are subject to continually evolving environmental laws and regulations. Even environmentally conscious businesses may not recognize the full extent of the risks that their daily operations may entail or if those environmental exposures are specifically covered under a general liability policy.

Chubb Environmental Risk professionals understand that environmental liabilities can impact almost any business operation. We specialize in underwriting pollution coverages within our suite of Premises Pollution Liability (PPL) products, which can be structured to offer residential, commercial, retail, agricultural and industrial property owners, managers and operators a broad range of pollution liability protection for gradual, as well as sudden and accidental, first-party and third-party environmental liabilities to help manage future, potentially unforeseen pollution exposures.
