

Agri-Auto Coverage

General Summary

Customized Coverage

Chubb Agribusiness provides protection for many different types of autos, from trucks to tractors to passenger vehicles.

- **Bodily Injury Liability**
Protection for damages that involve bodily injury to others for which the insured becomes responsible under law.
- **Property Damage Liability**
Protection for damage to property of others for which the insured becomes responsible under law.
- **Medical Payments**
Protection that pays reasonable medical and funeral services to or for those who sustain bodily injury caused by an accident.
- **Uninsured Motorist Protection**
Coverage allowing the insured to recover bodily injury damages due to an accident where the other party does not have insurance and is found legally liable.
- **Underinsured Motorist Coverage**
Coverage allowing the insured to recover bodily injury damages due to an accident where the other party is found legally liable and does not have adequate liability limits.
- **Hired Auto Liability Coverage**
Covers liability for automobiles hired under contract on behalf of or loaned to the named insured.
- **Hired Auto Physical Damage**
Provides coverage for an automobile of any type: hired, borrowed or leased on a short-term basis for use in the insured's business. May be insured for Comprehensive and Collision Coverages.
- **Personal Injury Protection**
Provides coverage for injury, death, loss of services and loss of income suffered by the insured, covered passengers or covered family members (for those who reside in states with no-fault insurance laws).
- **Collision Protection**
Protects the insured from loss caused by damage to the insured's auto by collision, subject to the deductible on the policy.
- **Comprehensive Protection**
Protection for the loss of or damage to the insured's vehicle and its equipment from all causes except collision, subject to the deductible on the policy.

Additional Protection

Round out protection with these optional coverages:

- Towing and labor costs coverage to pay for emergency repairs and/or towing when your vehicle breaks down.
- Rental reimbursement for the expense of renting a substitute vehicle when there is a loss to the insured's.

Other Coverages

Lay-Up Credit Program for seasonal farm trucks, one ton and over, including trailers.

Claims Services

Chubb Agribusiness's claims goal is to always provide the most prompt, professional and efficient claim service to each insured.

Technology

We offer a variety of online tools including eQuoting, Premium and Loss/Loss Run reports, training materials and marketing material.

Premium Payment

Because we sincerely care about and value our customers, our goal is to ensure that all insureds have the protection they need, at affordable prices. We offer a variety of options for premium payment including a number of flexible billing plans and online bill pay.
